SUMMARY

MCA graduate with hands-on experience in Android and Front-End development, skilled in Java, Kotlin, HTML, CSS, and JavaScript. Built real-world applications including an AI-powered social media app, an electronic billing system, and a responsive portfolio website. Strong in problem-solving, debugging, UI design, and working with Firebase and REST APIs. Quick learner with good communication and teamwork skills, seeking an entry-level Software/Front-End/Android Developer role to apply technical skills and grow professionally.

INTERNSHIP

Android Development Intern – LK Technologies

Davanagere

- Built UI components using XML and Material Design.
- Developed app features using Java/Kotlin.
- Integrated Firebase modules and performed debugging/testing.
